The aggregate amount of the Applicant's holdback during the Application Period is \$57,426.07. Deloitte FAS respectfully requests, in connection with the relief requested herein, that the Court allow this holdback amount on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code and authorize the Debtors to satisfy such amounts.

**ALLOWANCE OF COMPENSATION AND
ACTUAL AND NECESSARY EXPENSES**

A. Compensation Sought

16. Because of the benefits realized by the Debtors, the nature of services provided, the amount of work done, the time consumed and the skill required, Deloitte FAS requests that it be allowed, on an interim basis, compensation for the professional services rendered during the Application Period in the sum of \$287,130.35.

17. During the Application Period, allowance of compensation in the amount requested would result in a blended hourly billing rate for professionals of approximately \$472.17. The fees charged by Deloitte FAS in these cases are billed in accordance with its existing billing structure and procedures in effect during the Application Period.

18. Deloitte FAS respectfully submits that the professional services rendered by Deloitte FAS on behalf of the Debtors during the Application Period were reasonable, necessary and appropriate to the administration of these chapter 11 cases and related matters.

B. Reimbursement of Actual and Necessary Expenses Incurred by DTBA

19. As set forth in Exhibit B attached hereto, Deloitte FAS has disbursed, and requests reimbursement for, a total of \$12,290.08 in expenses on behalf of the Debtors in providing professional services during the Application Period, which represents actual, necessary expenses incurred in the rendition of professional services in these cases.

² For each professional incurring non-working travel time, Deloitte FAS charged at half of that professional's applicable billing rate. Hours captured by this category are limited to non-working travel time and are therefore not duplicative of time charged in any other category. Travel time is computed from the time the individual leaves the location from which he or she departs until arrival at the designated location.

20. Deloitte FAS believes that the actual expenses incurred in providing professional services during the Application Period were necessary, reasonable and justified under the circumstances to serve the needs of the Debtors in these cases.

**DTBA'S REQUESTED FEES AND REIMBURSEMENT OF EXPENSES SHOULD BE
ALLOWED BY THIS COURT**

21. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

22. In the instant case, Deloitte FAS respectfully submits that the services for which it seeks compensation in this Application Period were necessary for and beneficial to the Debtors and were performed economically, effectively, and efficiently. Deloitte FAS further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors and all parties-in-interest. Further, in accordance with the factors

enumerated in section 330 of the Bankruptcy Code, the amount of fees requested is fair and reasonable given: (i) the complexity of these cases; (ii) the time expended; (iii) the nature and extent of the services rendered; (iv) the value of such services; and (v) the costs of comparable services other than in a case under the Bankruptcy Code. Accordingly, the approval of the compensation and expense reimbursement sought herein is warranted.

CERTIFICATE OF COMPLIANCE AND WAIVER

23. Finally, as set forth in Exhibit C attached hereto, the undersigned representative of Deloitte FAS certifies that Deloitte FAS has reviewed the requirements of rule 2016-1 of the Local Rules and that the Application substantially complies with that Local Rule. To the extent that the Application does not comply in all respects with the requirements of Local Rule 2016-1, Deloitte FAS believes that such deviations are not material and respectfully requests that any such requirement be waived.

WHEREFORE, Deloitte FAS respectfully requests that the Court enter an order:

- (i) granting the allowance, on an interim basis, of compensation for professional services rendered to the Committee during the Application Period in the amount of \$287,130.35, which represents 100% of the total compensation for professional services rendered during the Application Period;
- (ii) granting the reimbursement, on an interim basis, of \$12,290.08 of the actual and necessary costs and expenses incurred by Deloitte FAS in these cases during the Application Period; (iii) authorizing and directing the Debtors to pay all the 20% of compensation held back in connection with the monthly invoices; and (iv) granting such other relief as may be just and proper.
